EXPERIENCE THE EXCEPTIONAL

Lakme Ceramics is a subsidiary brand of the Lavish Group. Equipped with ultra-modern machinery and the latest printing equipment, Lakme produces remarkable surfaces that meet international standards. Each tile is passed through our stringent quality control practices, and only made dispatch-ready if it meets our predefined standards. Featuring a range of finishes, designs and textures our surface are available in various sizes to ensure our customers can express their style with more freedom!

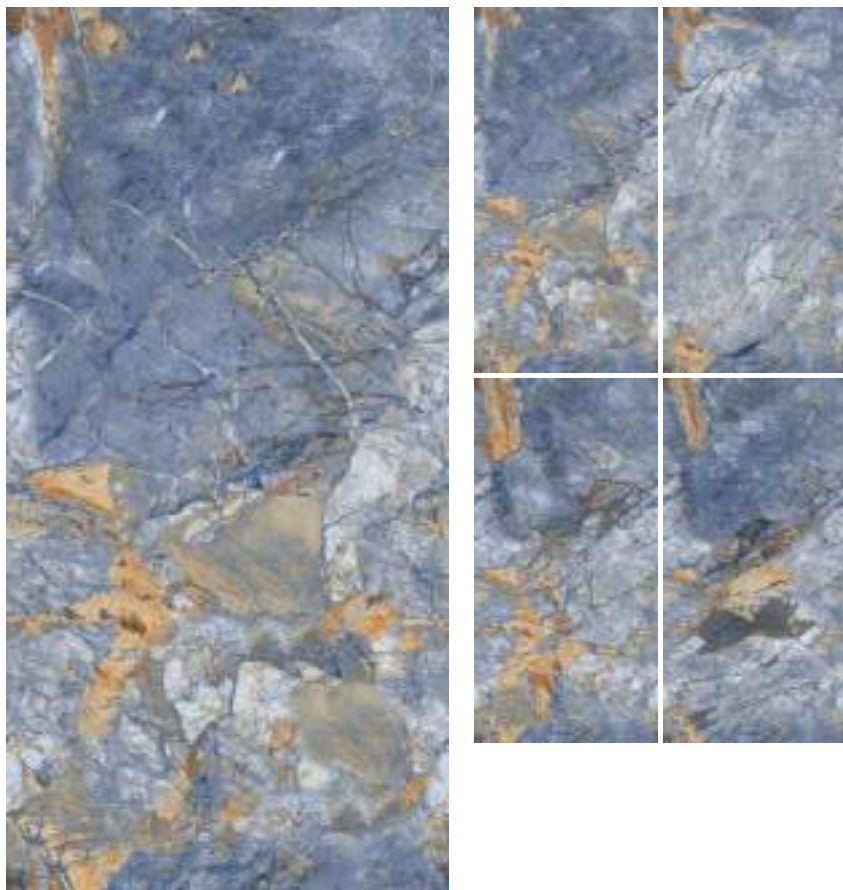

Endless

COLLECTION

600 x 1200 mm

The Endless collection features tiles with seamless vein-matching patterns that align flawlessly, regardless of their orientation. No matter how you place each tile, the consistent flow of the pattern will persist, creating a visually cohesive and harmonious effect.
