EXPERIENCE THE EXCEPTIONAL

Lakme Ceramics is a subsidiary brand of the Lavish Group. Equipped with ultra-modern machinery and the latest printing equipment, Lakme produces remarkable surfaces that meet international standards. Each tile is passed through our stringent quality control practices, and only made dispatch-ready if it meets our predefined standards. Featuring a range of finishes, designs and textures our surface are available in various sizes to ensure our customers can express their style with more freedom!

Highgloss

COLLECTION

600x600mm | 600x1200mm

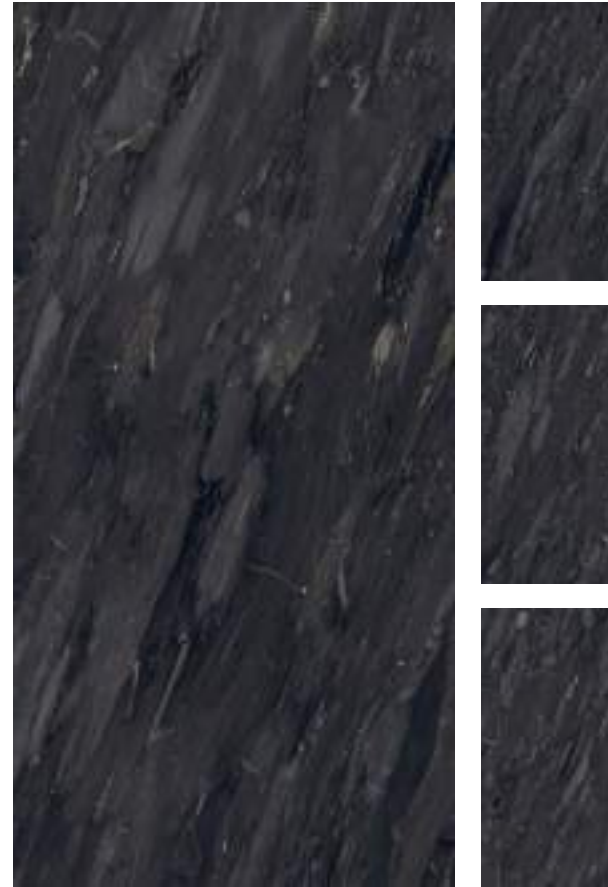

Transform your space into a breathtaking oasis of elegance and sophistication with the exquisite high gloss collection. Featuring a mesmerizing shimmer, these surfaces bring your space to life while adding a touch of drama that captivates the eye and creates a sense of unique visual interest. Immerse yourself in the luxurious ambience created by these stunning tiles and elevate your space to new heights of beauty and style.
